"Hello" From the Chair

See You in September

I took the month of August off to de-stress and get some things done for myself. But guess what happened? The world didn't stop. Candidates needed help, newsletters needed to be written, our government didn't take a break. We still don't know what they are going to do regarding the roads, are they going to sign the deal with Iran,

I understand that it is hard to fit all this stuff into your daily routine. But we only have a few options.

- Ignore it and except what we get (God help us)
- Get upset about it and do nothing (God help us)
- Get involved

What happens if you ignore it? Look around and see what is going on in our country. Frankly it scares me to death!

Getting upset but finding excuses as to why you can't do anything about it sure isn't helping is it?.

So what happens if you get involved:

- You can pick and choose how much you want to do. Help a candidate, work for or against a ballot prop. Donate an hour or two a week, a few hours a month. Donate to the cause if you can afford to. Any amount of time you can spare will help. You can become a 'Hero at Home'. Even praying about the issues helps. Remember that our founding fathers left control of this great and blessed country to the people. That means you and me. Are you satisfied with what is going on and willing to let this country continue to reiterate?

Although I don't have any biological children I cry and my heart aches because I don't want this to be the legacy we leave your children. Please help us to turn this country around and make it the great country it once was. I'm reaching out to you, please accept my hand.

Have a grand and glorious day and God Bless. Your friend and neighbor,

Philia

"Heroes" Corner

Local Hero, Ron Babin

Ron Babin entered his sailboat into the Port Huron Lighted Boat Parade the last two years and won first prize both times in that class. We are so proud of Ron. Not only is he vice-chair of SHUR, but he is treasurer of the GOP County Party and President of the Michigan FairTax Association. Ron owns his own business helping small businesses run their administration. He is also a great friend and is always there when I need help. He has a beautiful wife. I don't know where he finds all the time to devote to our causes.

Please thank Ron when you see him for all that he does. Ron is a real 'Hero at Home'
