"Hello" From the Chair

Happy Thanksgiving

We are approaching Thanksgiving. Even with our country being in great turmoil from the President down to our local government, we do have a lot to be grateful for. I lost my 16 year old Cinnamon a short time ago and I am really bummed, but so many of you have called, come over and given me hugs. You all are so special to me and I'm so grateful for all of you. I'm grateful that my little baby is with my husband and all our other little babies, riding around on his tractor out in the sunshine full of God's mercies. I'm thankful for all of you who have gotten involved to fight for our country, to make sure that all our children and grandchildren are taken care of and live in freedom and prosperity. I'm grateful that you will all be there after the holidays to stand tall and go out and work hard in one of the most important elections since this country was founded. We must fight hard to elect the best person for the job. One that will stand up for us and listen to the people.

Please join hands and tell our Lord how grateful we are to live in this country. Please ask Him to help restore our country to the way He and our Founding Fathers envisioned. God bless! Have a grand and glorious day. Your friend and neighbor,

Philia

WHAT SAY YOU

Over the River and Through the Woods (Danny Kaye youtube) A song I heard a lot when I was young and always reminds me of Thanksgiving. Enjoy!

God and All Those That Prayed

So much has happened this year. Many of our friends have been very ill and we prayed for them and a lot of them are recovering. We are grateful for the strength of Judy Buccholtz, Dennis McLellan and Bill Susick and their families along with all the others who survived because of God's mercies.

Please pray for our Country because with strong determination and God's mercies we can help heal it too. God bless

If you don't give elected servants consequences for their actions
You may get consequences for your inactions

Sterling Heights Clerk's Office told me that only 19.4% of the registered voters voted in the recent city council election.

Mandatory Recycling - 96 gal. trash bins - Paid for by the homeowners are on the upcoming agenda. Please watch the last city council meeting. Contact your elected officials and let them know your opinion. They will be discussing sending it out for bids at the Nov. 17th Council meeting. How much is this going to cost the taxpayers? Do you want to haul trash bins out to the road and back? Make sure you voice your opinion.
