"Hello" From the Chair

Aug. 8

Nov. 7

Center Line, New Baltimore and St. Clair Shores are having primary elections on Aug. 8. Please don't forget to vote.

Centerline, Eastpointe, Fraser, Memphis, Mt. Clemens, New Baltimore, Richmond, Roseville, St. Clair Shores, **Sterling Heights**, and the Village of Grosse Pointe Shores will all be holding general elections on Nov. 7. There is much to do to **'Drain the Local Swamp'** in many of these communities.

Please look at the issues going on in your community and determine if you like the direction it is going. Are the taxes too high? Are they wasting your tax \$\$\$\$\$ on frivolous things? Are your elected servants open and honest, do they give you adequate time to speak at public meetings and do they listen to you and answer your questions? If not then you should take a look at the non incumbent candidates and vet them. Do you know any of them? Do you need help in determining who any of them are? If so you are welcome to call me. See phone and email above. If I don't know I will be glad to see what I can find out and let you know or send you to someone I believe does know.

Homework Assignment

You also must get involved with the candidates you are supporting. Candidates don't win elections alone. They all need help. Think about this Candidates must, among other things:

1. Knock on doors in all precincts in their district
2. Do mailings into all precincts which will cost 10s of Thousands of \$\$\$\$

If you want your candidate to win please volunteer to help them or at least donate money to their campaign.

Have a grand and glorious day and God bless!
Your friend and neighbor,

Philia

WHAT SAY YOU

Have You Noticed?

The liberal left have one liners lined up on every subject. They keep repeating the same thing over and over again.

Like one person who showed up at county meetings used to say, **'Perception is Reality'**! He didn't say he was right just that he perceived it to be this way so it was.

The libs and fake news people just keep gushing the same words that bring fear and hate to the people, Russia, Russia, Russia, Trump, Trump, Trump.

There is never a lack of followers around them backing them up, marching down the streets demolishing anything that gets in their way, and outshouting everyone.

The Right, on the other hand may come out now and then and rally or march down the street.

They have a million excuses why they can't get involved. 'I work, I don't have time; I have to take the kids ...; It doesn't do any good; etc.' So mostly they do nothing, a lot of them don't even vote. In 2015 only 19.44% of the registered voters got out and voted in the S.H. city council election even though there was a millage increase on the ballot.

Homework Assignment

1. Contact your elected servants and tell Them how you want them to vote.
2. Stand behind the elected servants you agree with.
3. Give consequences to the elected servants that you disagree with
4. Remember if you don't give consequences you will get consequences
5. Pray for all elected servants and our Land

FIRST THEY CAME FOR...

First they came for the Communists,
 and I didn't speak up,
 because I wasn't a Communist.
 Then they came for the Jews,
 and I didn't speak up,
 because I wasn't a Jew.
 Then they came for the Catholics,
 and I didn't speak up,
 because I was a Protestant.
 Then they came for me,
 and by that time there was no one
 left to speak up for me.
 -Rev. Martin Niemoller, 1945
