Membership

January 2019

Dear Members and Prospective Members,

We at SHUR hope you had the most blessed Christmas and happy, prosperous, free and healthy New Year. We also feel blessed to have you as members, attendees, and or recipients of our newsletter. Thank you so much.

On January 1, 2019 it is time to renew your membership to SHUR. Enclosed you will see a membership application. Dues can be mailed to SHUR or can be paid at the next meeting you attend. The dues are still the same as last year. We hope that you found our meetings worthwhile, the topics informative, and met up with old friends and made new ones.

This year we will be dealing with the election of the Sterling Heights Mayor and City Council. Our city election is in the odd numbered years. Some cities have changed elected servants election to even years so that they don't have to have a special election and save the taxpayers \$\$\$\$\$\$. But the drawback to this is that it extends the term of office for all of them for a year. These are the things we will be discussing at our upcoming meetings.

If you wish to receive your Newsletters, agendas, etc. by snail mail we are asking for a \$15 donation to pay for the printing, envelopes and stamps. This will ensure that you get all the information SHUR sends out. Please send the \$15 to SHUR at the address below.

Dues are \$20 a year and each meeting is \$10 which gives you dinner and all the nonalcoholic beverages you can drink. If you wish you can pay \$100 and that will cover your dues as well as well as the \$10 for food at all regular meetings.

We look forward to your membership, attendance and participation over the next year.

Sincerely,
Jay Robb
Membership Chair
