"Hello" From the Chair

To all Mothers out there, God bless you and may you have a blessed day and year!

April's weather has been all over the place. It reminds me of the politics that are going on around here. Spending almost \$1/2M on a gold ring in the middle of Hall Road, money taken out of the general fund. But we hear that the Sterling Heights City Council is going to put the Safe Streets and Roads millage on the Nov. ballot to be renewed. Does this make sense to you? See article: <https://bit.ly/2RwdzGo>

It has come to my attention that some incumbent candidates are telling Sterling Heights voters that they aren't allowed to tell them what party they are affiliated with because it is a nonpartisan election. Now if any of you believe that they can't tell you what party they are affiliated with I have a swamp for sale please contact me.

It is time to do your homework and vet not only the non incumbent candidates, but incumbent candidates and make sure whom you are voting for. The days of voting for someone because they are cute, they are a woman, etc., they are nice, etc. are over. We need to vote for the candidate that we believe is going to stand up for the people and vote with the Constitution and rule of law before they bankrupt us and completely destroy our city.

On the Sterling Heights ballot it will state that you can vote for no more than 6 city council candidates. There will be 9 candidates on the ballot. This does not mean that you have to vote for 6. You can plunk your vote and only vote for one if you want to. This keeps you from diluting your vote and helps out your preferred candidate.

Have a grand and glorious day, God bless,
Your friend and neighbor

Philia

You cannot bring about prosperity by discouraging thrift. You cannot strengthen the weak by weakening the strong. You cannot help the wage earner by pulling down the wage payer. You cannot further the brotherhood of man by encouraging class hatred. You cannot help the poor by destroying the rich. You cannot keep out of trouble by spending more than you earn. You cannot build character and courage by taking away man's initiative and independence. You cannot help men permanently by doing for them what they could and should do for themselves.

County Executive Mark Hackel

Wants the Board of Commissioners to pass a surcharge on all of our landlines and cell phones to pay for 911 service. \$0.42 per line per month! If you have one landline and one cell phone it would be \$.84 per month and so on. Sterling Heights taxpayers already pay the county for 911 calls through our tax\$\$\$\$\$. He wants more. Nonpartisan Election

Sterling Heights elections are nonpartisan, meaning that they do not have to declare their party. The ballot won't have Republican, Democrat, etc. by the name of the candidate. That doesn't mean that if you ask them what party they belong to that they aren't allowed to tell you. This is a tactic that they use to try and keep you from vetting them. This is a 'TELL' meaning that they don't want you to know who they really are! Don't be fooled!
