## "Hello" From the Chair

Have a blessed and happy Independence Day/4th of July.

There is less than 4 months until the Sterling Heights Nov. Election. There are 45 precincts to door knock. That would entail going door to door in 11 plus precincts a month in order to get to all the doors. That is an impossibility for one person to do. So if you could please volunteer to help Jazmine out by:

- Offering to help her door knock
- Literature drop your own neighborhood
- Phone calling
- Donate to her campaign
- Work a poll on election day
- Put a sign on your lawn

Please do your part in helping take back Sterling Heights for the people.

You can contact me at 586-254-1284 or philis@desaele.us  
Or contact Jazmine at 586-522-9930  
Jazmagear@hotmail.com

Jazmine has been speaking for our residents at City and County meetings since 2014.

Have a grand and glorious day.  
Your friend and neighbor,

*Philis*

## Philis' Pearls of Wisdom

### Name Calling

How many of you remember when someone called you a hateful name, your response was, 'Sticks and stones may break my bones but names will never harm me' or 'It takes one to know one'!

Why do we allow the progressives to call us names because we have a different opinion and shut us up?

### Gold Ring on Hall Road

Are you aware that the 'Gold Ring' on Hall Rd. cost we the taxpayers almost \$1/2M and that the money was taken out of the general fund? Yet the city has a big budget deficit regarding employee retirement and health care benefits and that this money could have been used for that!

<https://bit.ly/2XLtQep>

The current city council voted to put the renewal of the Safe Streets Millage (Police/Fire/Roads) on the Nov. ballot! Yet they took almost \$1/2M out of the general fund to design, build and install the 'Gold Ring'. This does not include electricity for the lights, or maintenance. Why do they have enough money to pay for frivolous things but need to ask the taxpayers for tax increases for the necessities? <https://bit.ly/2XLtQep>

**What the progressives call  
"hate speech" is actually  
just speech they  
HATE...the truth that will  
damage their causes.**

**'Our lives begin to  
end the day we  
become silent about  
things that matter'**

**Christians, stop saying  
"I don't discuss politics".  
If you ignore politics  
now, politics will erase  
your right to be Christian**
