"Hello" From the Chair

Happy Labor Day,
Or as I call it - HappyThe kids will be
Back in School Soon Day.

Voting—Or Lack There Of

Three cities had primary elections on Aug. 5. The % of registered voters who voted in each community were:
Warren: 17.1% New Baltimore: 17% St. Clair Shores: 16.95%

Sterling Heights didn't have a primary election. But even in their last couple of general elections only around 19% of the registered voters voted. Our mayor was elected by less than 19% of the registered vote and the city council even less than that.

It is time to ask, 'Are you happy with how your **tax \$\$\$\$\$** are being spent? Do you think that taking almost \$1/2M out of the general fund to build that so called Gold Ring in the middle of Hall Rd. and then asking for a millage renewal to pay for the 'Safe Streets' millage and **threatening to lay off 45 policemen** because there isn't enough money to pay for them if it doesn't pass is right?'

Did you receive your Sterling Heights Fall 2019 Magazine as yet? Did you notice that we, the taxpayers, are paying for 11 pages of propoganda telling us why we need to vote for the 'Safe Streets' millage. They think that they can get away with it because they didn't come out and state how to vote.

Isn't it interesting that the city gets to spend thousands of our **tax \$\$\$\$\$** to promote the millage, but if the taxpayers oppose the millage and wish to fight it they have to spend their own money to do so. How can taxpayers ever compete?

Are you aware that there are new rules regarding voting? Everyone can vote absentee now and more. See rules on page 2.

What are you going to do to help your candidate win?
What are you going to do to get the vote out?

Have a grand and glorious day, God Bless!
Your friend and neighbor,

Phibis

Nonpartisan Election

Sterling Heights elections are nonpartisan, meaning that they do not have to declare their party. The ballot won't have Republican, Democrat, etc. by the name of the candidate. That doesn't mean that if you ask them what party they belong to that they aren't allowed to tell you. This is a tactic that they use to try and keep you from vetting them. This is a 'TELL' meaning that they don't want you to know who they really are! Don't be fooled!
