"Hello" From the Chair

Don't Forget to Vote Tues. Nov. 5

Soon we will know who won the Sterling Heights election and if the millage renewal passed. Shortly after the winners will all be sworn in and we will begin another 2 year term. Will everything remain the same? Will money continue to be squandered on more Gold Rings and Chess Boards, etc. and will we still have to worry if they will ever have enough money to pay for the needed and necessary things like police and fire without continually asking for more money?

Your vote is very important. We can start to change things by vetting the candidates and voting. It is up to us to get involved. Standing behind the candidates who are voting the way we want them to. Remember you are the boss, they work for you. You pay their salaries through your tax \$\$\$\$\$\$.

Then it will be time to start involving ourselves in the 2020 Presidential Election!

Remember the old Faygo commercial, "Which way did he go, which way did he go.... ? We might ask the same question about our country, "Which way do we go, which way do we go....." Are you willing to allow our country to turn into a socialist country, or are you ready to do what it takes to make us the strong Constitutional Republic that we once were? Do you want to continue to live in the "Land of the Free and the Home of the Brave, One Nation Under God"? It is up to you!

Don't forget that there is a millage renewal on the Nov. ballot in Sterling Heights

Safe Streets Millage Renewal

They took almost \$1/2M out of the general fund to pay for the Gold Ring, they spent \$12K to build an out door chess game by the library, roundabout inside city complex... but wrote 11 pages of our last S.H. Magazine (at taxpayers expense) to tell us what is going to happen if we don't renew this millage, like laying off 45 police officers and 20 firemen.

Do You Think That Our Current Elected Servants Are Spending Our Tax \$\$\$\$\$ Wisely?

'Plunk' Your Vote in November 5 Election For City Council

SHUR is advising that you vote for only one candidate for city council in Nov. That is called plunking your vote!

Joseph Judnick is running as a write in candidate for mayor. You can write his name in on the ballot under the mayor's name and fill in the oval with black ink if you wish to vote for him.

VOTE!

Philis' Pearls of Wisdom

VOTE!

Plunking your vote: Sterling Heights has 6 councilpeople. The ballot will say 'Vote for not more than 6'. If there is one in particular that you want to win, you can Plunk your vote and only vote for the 1 that you want to win. This keeps from splitting up your vote and helps the candidate of your choice win.

Placing a Ringer on the ballot: If a candidate has a strong candidate running against them either in the same party or opposing party they have been known to put someone whom is called a Ringer on the ballot. If it is in the opposing party the opposition candidate will have to run a campaign in the primary and spend money and work to win. If the candidate has someone running against them in the same party they may put a Ringer in that election to split up the opposition vote.

Vetting Candidates: Make sure that you vet the candidates including incumbent candidates. Explore how they voted or how they might vote. See who their political friends are. If most of their friends are people who oppose your opinions then you might want to consider not voting for them. If you need help figuring out who to vote for, contact someone you trust and ask for their help.

Getting the candidate of your choice elected: Once you have figured out who you want to vote for, then it is your job to make sure that this person gets elected. So it is time to volunteer to help that candidate/s. You can door knock, lit drop, phone call, or mow their lawn. Also elections are very expensive so candidates most always need money. If you can afford a few bucks donate it to your candidate of choice.

Ballot Proposals: Don't forget that ballot props also can use your help. So you might volunteer your time to work for or against the prop. Also you can donate money to get the word out.

Remember Not Voting is a Vote for Status Quo
