

# Voters, don't be fooled!

The mainstream media is NOT reporting all the news.

They routinely distort the truth and omit key facts. You might say they're "Half-Truthers" and you only get the side that supports their narrative.

You should know the whole truth before you vote in 2020.

After all, you're smart enough to make up your own mind.

If you want to be fully informed, turn off CNN, CBS, ABC, NBC, MSNBC and the local news channels.

Instead of the corporate media, try these independent news and opinion websites:

**Breitbart.com**

**DailyCaller.com**

**Whatfinger.com**

**ZeroHedge.com**

**TheGatewaypundit.com**

**AmericanThinker.com**

**TheFederalist.com**

**TheConservativeTreehouse.com**

**100PercentFedUp.com**

**RSBNetwork.com**

*Younger viewers might like these YouTube channels...*

**Mark Dice**

**Steven Crowder**

**PragerU**

*And for your nightly TV news, try*

**One America News (OAN)**

**Blaze TV**

**NewsMax TV**

As Thomas Jefferson said, "If we are to guard against ignorance and remain free, it is the responsibility of every American to be informed."
