"Hello" From the Chair

Primary Election Day August 4

Can you believe that Primary Election day is less than 3 months away? How do you feel about what is going on regarding elections and are you concerned/worried about who is going to get elected to be President? Are you concerned who is going to be your elected servants in Washington, the State as well as the County? Have you checked to see if there are any ballot proposals on the Primary ballot?

No More Can We Say, 'This Couldn't Happen, This is America'

What do you think your responsibility is to keep our country a Constitutional Republic as written into our Constitution by our forefathers? Do you believe that it is your responsibility to make sure our country keeps it freedoms and our ability to work and prosper and to worship freely, etc. if not for ourselves, then for our kids and grandkids? Are you willing to ignore what is going on? Ignoring it and not doing your share to stop it is like agreeing to it.

IF NOT YOU, WHO?

If you are concerned about the future of our country and what is going to happen to your kids and grandkids what do you intend to do about it... leave it in someone else's hands? Is it so insignificant that you can trust someone else to do the job? Look where we are now with someone else doing the job.

IF YOU WANT SOMETHING DONE RIGHT DO IT YOURSELF

Have a grand and glorious day and all God's blessings. Your friend and neighbor,

Philia

The cost of freedom is eternal vigilance

- That business are allowed to open again soon so that all those out of work can get back to work and kids can go back to school.
- That financially our country and it's people will get through this very upsetting time and that we learn from it for future disasters.
- We also want to let you know that we care about you and wish you all God's blessings. Please be careful out there.

"Heroes" Corner

Tom Mitchell Is Our Hero of the Month

Somewhere around 2009/10 Tom called me and asked how he could put his feet on the ground and keep them moving. We sent him out petitioning and he has never stopped since.

Tom has never shirked his duty or shrugged off working no matter how hard the topic was or what he had to do. He was always there to encourage others to work hard also. He never let his medical issues, family responsibilities, or age slow him down.

God bless you Tom and thank you for all your help. You are a real inspiration and a true Patriot.

Philis' Pearls of Wisdom

2020 Elections

Can you believe that the 2020 Primary Election is only 4 months away? President Trump is winning the Rep. primary and Joe Biden is winning the Dem. Primary. We have several candidates for Congress and John James is running for U.S. Senate, on the Rep. ballot and it is very important to vet these candidates and then get out and support them so that we can stop the progressives from taking over our country and turning it into a socialist country. This means that all Republicans, conservatives, Christians, independents must step up to the plate and do their part to make sure that our country keeps its Constitution and is governed by the Rule of Law. We must take back our country and make sure that we stand firm in our determination to keep our country free, keep our electoral college so that all the people, no matter how large or small their state is, have an equal opportunity for their vote to count.

All ballot proposals passed except the marijuana ballot question in Clinton Twp. Are you ready for more taxes?

Only 34.25% of the registered voters in Macomb County voted. So you are going to pay more taxes because the majority of a little more than 1/3 of the registered voters in Macomb county said so. How did you vote? If you voted yes, you got what you wanted. If you voted no you lost. If you didn't vote at all you might as well have voted yes.

It sounds like Macomb County is putting the new Jail millage on the Aug. Primary Ballot. Do you want even more taxes? Do you think we need a new jail? What are you going to do about it?

Why should we get involved?
