"Hello" From the Chair

Happy Mothers Day & Happy Memorial Day

We Pray that this newsletter finds all of you safe from the evil virus and back to work.

Please, whether we are still quarantined and you have extra time on your hands or not, we must start vetting candidates. We are less than 3 months until the primary election. This election is most likely the most important election of our lifetime and possibly ever. We must make sure we are looking at it with 2020 vision. We must elect the right people or we may not have a Constitutional Republic to live in ever again.

We also must volunteer to help our chosen candidates as they are under a handicap because they haven't been able to door knock or hold fundraisers, or meet the candidate meetings so far this year because of the quarantine. They need help:

- Phone Calling
- Door Knocking
- Literature Dropping
- Donations to their campaign

If you can't do these things, then you might want to do the following so they have more time to campaign themselves:

- Babysit
- Let their dog out
- Clean their house
- Cook them a meal
- Go shopping and or run errands for them, etc.
- Mow their lawn

There is no time for excuses this year. Your children's and grandchildren's way of living is at stake. Do it for the Kids.

Have a grand and glorious day. All God's blessings. Your friend and neighbor,

Philia

RUSH'S FAMOUS QUOTES

"It took a worldwide pandemic. It took a 35% plunge in the stock market. It took six feet of social distancing. It took quarantining. It took many small businesses closing. It took canceling practically everything, to bring the USA economy back to the Obama high mark."

Fur Babies

SHUR is happy to honor all fur babies that are entertaining & taking care of their families while they were/are quarantined. Fur babies that take their families for walks, play with them and talk to them. Climb on their laps and nap with them. Cuddle in bed with them. God bless all our Fur Babies!

Philis' Pearls of Wisdom

Covid-19 Virus

SHUR would like to take this time to say how sorry we are about all the people who are sick with the Covid-19 Virus as well as other viruses and illnesses. We are sorry for all the people who have passed away from this evil virus and other health issues during these sad and trying times. We pray that they are 'Resting in Peace'! We also are praying for all their family, loved ones and friends who are mourning their loss. May God bless all the people and take away this evil virus from our land.

2020 Election

Have you taken a look at all the candidates who have filed to run in this county in the 2020 primary election? People are coming out of the woodwork to put their names in. We have a blast from the past where several candidates are political names from the 90s.

We must be very careful when we are vetting candidates and make sure we look at them with 2020 vision. This election is very important and could make or break not only our county, but our country. Please make sure of whom you're planning to vote for and if you need help figuring that out please contact someone whom you know that you trust to help you figure it out. You are welcome to contact me if you choose. I will try and help you. My contact information is at the top of the page on the left hand side. Below is the link to the county elections dept. where all the candidates are listed.
