## "Hello" From the Chair

Happy Father's Day: June 21, 2020

### Absentee Voting

For anyone that decides to vote by absentee ballot in the August Primary or the November General elections remember to do the following:

- If you decide to mail the ballot in be sure to call your city clerk and find out if they received your ballot
- If you put your ballot in one of the receptacles that your city or twp. provides you can also call and make sure that your clerk's office has it.
- If you have sent in your ballot and change your mind about who you voted for you can go to the clerks office and tell them you wish to change your vote. They will get your ballot and invalidate it and give you a new ballot and your can fill out the new ballot right there and turn it in.

**We also must volunteer** to help our chosen candidates as they are under a handicap because they haven't been able to door knock or hold fundraisers, or meet the candidate meetings so far this year because of the quarantine. They need help:

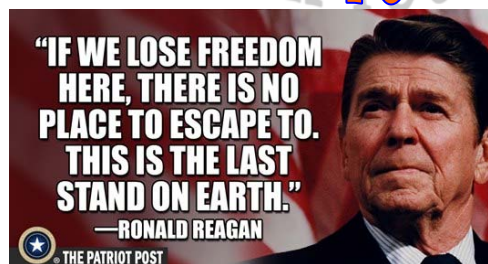

- Phone Calling
- Door Knocking
- Literature Dropping
- Donations to their campaign
- Babysit
- Let their dog out
- Clean their house
- Cook them a meal
- Go shopping and or run errands for them, etc.
- Mow their lawn

**There is no time for excuses this year. Your children's and grandchildren's way of living is at stake.**

Have a grand and glorious day. All God's blessings. Your friend and neighbor,

*Philo*

**Covid-19 Virus**

SHUR would like to take this time to say how sorry we are about all the people who are sick with the Covid-19 Virus as well as other viruses and illnesses. We are sorry for all the people who have passed away from this evil virus and other health issues during these sad and trying times. We pray that they are 'Resting in Peace'! We also are praying for all their family, loved ones and friends who are mourning their loss. May God bless all the people and take away this evil virus from our land.

### 2020 Election

Have you taken a look at all the candidates who have filed to run in this county in the 2020 primary election? People are coming out of the woodwork to put their names in. We have a blast from the past where several candidates are political names from the 90s. Filing deadline is passed and the list should be complete

We must be very careful when we are vetting candidates and make sure we look at them with **2020 vision**. This election is very important and could make or break not only our county, but our country. Please make sure of whom you're planning to vote for and if you need help figuring that out please contact someone whom you know that you trust to help you figure it out. You are welcome to contact me if you choose. I will try and help you. My contact information is at the top of the page on the left hand side. Below is the link to the county elections dept. where all the candidates are listed.
