"Hello" From the Chair

Happy 4th of July/Independence Day

Please get involved in helping your preferred candidate get elected this year. Don't allow someone else to decide who gets elected. This is a very important election, possibly the most important election ever. Maybe you don't like the way President Trump talks, and are determined not to vote for him. Please stop and think about this. Do you like the way Biden talks? Do you want our country to become a socialist country? That is what Biden and other members of the Democrat Party want. Is it better to vote for that in order not to get Trump, or is it better not to vote at all and let the progressives get their vote out and win? Please do your civic duty this year and get out and vote and get your friends, neighbors, and relatives to vote also. Do it for the kids.

We also must volunteer to help our chosen candidates as they are under a handicap because they haven't been able to door knock or hold fundraisers, or meet the candidate meetings so far this year because of the quarantine. They need help:

- Phone Calling
- Door Knocking
- Literature Dropping
- Donations to their campaign
- Babysit
- Let their dog out
- Clean their house
- Cook them a meal
- Go shopping and or run errands for them, etc.
- Mow their lawn

If we don't do the work needed to keep Trump and other conservatives in office, we deserve what we get.

Have a grand and glorious day. All God's blessings. Your friend and neighbor,

Philia

WAKE THE HELL UP

AMERICA!

We are one election away from open borders, Socialism, gun confiscation, total full-term abortion, Sharia Law & a Godless nation.

Not voting is not a statement.
It's rendering yourself invisible.
It is silencing your own voice.
It is self-marginalization.
It's allowing your future to be determined by other people and pretending that's a victory.
Register.
Vote.
Make a statement.

Duty is Ours
Results are
God's

Philis' Pearls of Wisdom

Covid-19 Virus

SHUR would like to take this time to say how sorry we are about all the people who are sick with the Covid-19 Virus as well as other viruses and illnesses. We are sorry for all the people who have passed away from this evil virus and other health issues during these sad and trying times. We pray that they are 'Resting in Peace'! We also are praying for all their family, loved ones and friends who are mourning their loss. May God bless all the people and take away this evil virus from our land.

2020 Election

Did you receive an absentee ballot request from the state or from your city/twp. Clerk? Did you return it? If you are voting absentee and mailed in your ballot request and or ballot, please wait a few days and call your clerk and confirm that they received it. If you have turned in your ballot, but decide that you want to change your vote, please go to the clerk's office and tell them you wish to change your vote. They will find your returned ballot and show it to you. They will give you a new ballot and you can vote right there and turn it in. They should invalidate the original ballot.

We must be very careful when we are vetting candidates and make sure we look at them with **2020 vision**. This election is very important and could make or break not only our county, but our country. Please make sure of whom you're planning to vote for and if you need help figuring that out please contact someone whom you know that you trust to help you figure it out. You are welcome to contact me if you choose. I will try and help you. My contact information is at the top of the page on the left hand side.
