"Hello" From the Chair

As of the writing of this message we still don't know when kids will be able to go back to school. Do you want your kids to go back to public school? Would you rather home school them? Do you want the public school's to send you their lessons over the internet or do you want to enroll them in another online school or school of choice? These are all discussions that I have seen on Facebook or have participated in myself. What do you think? Is it time for public schools to start teaching the truth about history and allow Bibles and prayers again? Is it time for parents to get more involved in their schools to determine what they are teaching and that they agree with it and want their kids taught this way? Remember we the people are the parents of these kids and should have the say in what our children are being taught. After all we are paying for their education through our tax \$\$\$\$\$ and should be listened to don't you think?

I just heard that Utica Schools will be closed at least until the end of October—is that to help the kids or to help the Democrats win the election?

Utica Schools say that you will have 2 options:

1. Kids can stay home and all their classes will be on Line for the entire year.
2. They can start out with classes on line until Oct. 30 When it will be re-evaluated to determine if the school district will reopen. If it does, then the kids Can go back to school.

Have a grand and glorious day. All God's blessings.
Your friend and neighbor,

Philia

Non Partisan Elections

It has come to my attention that some of us are confused regarding Non Partisan Elections and who will be on the Nov. Ballot. In particular the Probate Court candidates.

According to the County Elections office the primary narrowed the three candidates down to two candidates. The two top vote getters will be on the Nov. Ballot. The top 2 vote getters are Kathryn A. George and Lynn M. Maison.

2020 Election

Now that the Primary Election is over and we know who the official candidates are we need to get going to ensure that our candidates win. Are you ready to get out there and work to help insure that our country stays a Constitutional Republic. That we keep our freedom of speech, freedom to worship as we choose, freedom to own guns, freedom to pursue happiness and to work and prosper, freedom to own property, etc. Are you willing to work to make sure that we continue to be the best country ever?

If you are interested in finding out who were the winners of the primary you can go to the county elections dept. website and check it out. Ballot Questions below.
