## "Hello" From the Chair

To all our friends out there, I pray that you have a blessed Christmas. Please pray for our country, our kids, grandkids and great grandkids, etc. Please work to keep our country a Constitutional Republic and don't let them turn us into a socialist/communist country.

My Christmas wish this year is that we take back our country and stop the insanity and evil things going on. That the people stand up for the elected servants that are doing their will and have their backs. Also that we stand up to the ones that aren't doing our will and give them consequences by making sure that they are recalled or that we don't re elect them.

We have been accused by the progressive left of throwing our seniors off the cliff. Yet our Dem. governor put people with the virus in nursing homes where sick, elderly people live and caused some of them to get sick and die. Not only did they die, but they died alone without their family or friends around them because they weren't allowed in. We have been quarantined and kept separated from others and many have not been allowed to go back to work so that businesses have gone under and people can't pay their rent, etc. Schools haven't opened and kids are being taught on line. It is such a sad, evil and trying time. It is my hope that this backfires on them and that parents start watching what is being taught to their children and that they pick up a text book and start reading it. See if they are teaching the truth about our country. See what subjects that they are teaching and if they agree with them. I pray that parents start standing up to their schools, if need be, to ensure that this is stopped!

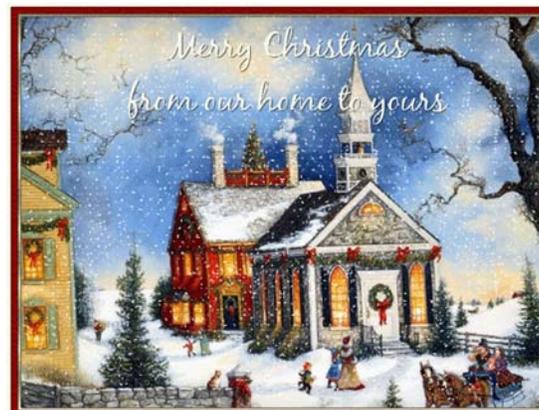

Have a grand and glorious day. All God's blessings.  
Your friend and neighbor,

*Philia*

### Covid-19 Virus

SHUR would like to take this time to say how sorry we are about all the people who are sick with the Covid-19 Virus as well as other viruses and illnesses. We are sorry for all the people who have passed away from this evil virus and other health issues. We pray that they are 'Resting in Peace'! We also are praying for all their family, loved ones and friends who are mourning their loss. May God bless one and all.

## "Heroes" Corner

### President Donald Trump

Thank you Lord for bringing Donald Trump to us to be our President. Thank you for his determination to keep his promises, for his courage to not give up and for his generosity in not accepting his wages. Thank you for his love of family and keeping them together around him.

Some of you may not have approved of him, saying you don't like the way he talks, some alleged things he did in the past and judged him. My opinion is that he did what he promised us he would do. Put up a wall, lowered our taxes, took restrictions off of businesses, etc. I ask God to bless him and his family and this country and to stop the evil insanity and allow Trump to continue to be our President. Thank you President Trump.

## Philis' Pearls of Wisdom

### Intercession For Our Land

Dear God, I pray You will be put in Your rightful position in this country. Give the leaders of this nation the wisdom and integrity to lead our nation in the best direction. Give each one discernment I pray, when making decisions or drawing up the legislation and laws that they pass. And may the decisions that they reach be godly and wise.

As the days become increasingly dark in our country, I pray that the light of Your love will shine on this land. May peace reign in our nation and protect us from those that would seek our downfall, I pray.

I really thank You that you have placed me in this land and I am grateful that I am a citizen of this nation. Thank You, Lord, for my country. In Jesus' name,

Amen.
